Educational Planning (adv.) (lib.)	4
Statistics (lib.)	4
7 General Education Courses (lib.)	28

Total Credits: 124

Total Liberal Credits: 62

Total Advanced Credits: 48

Electives can be selected from Business Division or another Division. Students can fulfill advanced level and liberal requirements through electives.

Statistics: Students are encouraged to use Business Statistics

Accounting for Decision Makers: Students may prefer using two separate courses in Financial Accounting and Managerial Accounting

Macro/Micro Economics: Students may prefer using two separate courses in Macro Economics and Micro Economics

PLA for learning that is equivalent to these courses may be substituted for an ESC course

Transcript credit for courses that are similar in content to ESC courses can be substituted

General Education listing is for 7 areas.

- Business Ethics is accepted as Humanities
- Macro/Micro Economics is accepted as Social Science
- Statistics is accepted as Mathematics

This leaves room for the student to use PLA and/or other courses that support the program or are of general interest.
