

**PATHWAYS TRANSFER PROGRAM ARTICULATION AGREEMENT
FOR THE TRANSFER OF STUDENTS FROM SUNY BROOME COMMUNITY COLLEGE INTO
THE BACHELOR'S DEGREE PROGRAMS AT SUNY EMPIRE STATE COLLEGE
(with Guaranteed Admission)**

Empire State College (SUNY Empire) and Broome Community College (SUNY Broome), both of the State University of New York, agree to enter into this Pathways Transfer Program Articulation Agreement (Agreement). This Agreement assures that qualified students completing any Associate in Arts (AA), Associate in Science (AS), or Associate of Applied Science (AAS) degree at SUNY Broome will be able to transfer seamlessly to SUNY Empire.¹ This Agreement also establishes procedures for graduates of SUNY Broome to obtain the appropriate bachelor's degree (BA, BS, and BPS) at SUNY Empire.

How the Pathways Transfer Program Works

During their first year at SUNY Empire, students in the Pathways Transfer Program may, with advisement, opt to cross-register for up to 15 additional credits at SUNY Broome beyond the associate degree.² These lower-division credits will be applicable to the baccalaureate degree program by satisfying SUNY General Education requirements or needed pre-requisite courses.

Up to 79 total lower-division credits can be transferred in, leaving at least 45 upper-division credits to be completed towards the 124 credit bachelor's degree at SUNY Empire. This includes 24 upper-division credits within the student's selected concentration, consistent with the College's requirements for a bachelor's degree. Each participating student will be able to transfer all credits earned as part of their associate degree to SUNY Empire, as long as they fit into the student's designed bachelor's degree program.

Academic Programs

SUNY Empire offers a wide range of bachelor's degree program options that align with many of the associate degree programs at SUNY Broome. For a list of bachelor's degree programs, please refer to www.esc.edu/degrees-programs/.

In addition, students have the option of designing a bachelor's degree program that builds on their associate degree and is tailored to their unique interests and goals. Working with a faculty mentor, students may customize their own degree concentration within one of 12 broad areas of study or the School of Nursing and Allied Health.

¹ As per SUNY Empire policy, Associate in Occupational Studies (AOS) degrees are evaluated on a course-by-course basis. D grades earned as part of an AOS degree are not transferable, even if the student completed the AOS.

² Students may transfer up to 79 lower-division credits, or 93 total advanced standing credits, to Empire State College.

Students at SUNY Empire can earn their degree without having to leave their home community. The flexibility of the educational model allows them to customize their courses to fit around their family, work and community commitments. Students are able to combine a number of course modalities into their degree program including online courses, independent studies, seminars and small group studies, residencies, and cross registration at other colleges (with advisement).

Benefits for SUNY Broome Community College Transfer Students

SUNY Empire will provide the following benefits for participating SUNY Broome students:

- Guaranteed admission to a bachelor's degree program
- Waiver of the \$50 admission / orientation fee
- Provision of a one-time \$100 *Better Together* transfer scholarship at SUNY Empire

To be eligible, SUNY Broome transfer students must have completed an associate degree within the last 3 years, or be in (or entering) their final semester of completing an associate degree.³ Once SUNY Empire receives the student's official transcript that indicates an earned associate degree, the transfer scholarship will be awarded.

A unique application benefits code for interested students to use during the admissions application process will be created by SUNY Empire and provided to appropriate staff at SUNY Broome for distribution. Participants must enter the code upon submission of their online application for admission to receive the benefits. SUNY Broome will make good faith efforts to not make the code publicly available.

Benefits for Employees of SUNY Broome Community College

Employees of SUNY Broome may participate in the Pathways Transfer Program and become students at SUNY Empire by way of this Agreement. Employees who already hold an associate degree are eligible for the benefits as listed above for transfer students, regardless of when they received their degree. Further, employees who hold a bachelor's degree and wish to pursue a graduate degree at SUNY Empire are eligible for the following benefits:

- Waiver of the \$50 graduate admission / orientation fee
- \$100 graduate student scholarship in the first term of matriculated enrollment in the School for Graduate Studies
- A single point of contact at the School for Graduate Studies to guide new students through the admissions, enrollment and orientation process. As of the signing of this Agreement, the contact person is:

Evan Reese
Graduate Outreach and Academic Advisement Coordinator
Evan.Reese@esc.edu
(800) 847-3000 ext. 2904

For a complete list of graduate level degree and certificate programs offered by Empire State College, or to apply, please go to <https://www.esc.edu/graduate-studies/>.

³ Note that this applies only to the completion date of the associate degree, and not when all of the courses within the degree were completed. Please refer to "Guidelines of the Agreement", item #4.

Benefits for Active Military, Veterans, and Spouses

SUNY Empire has a long-standing commitment of supporting active military, veterans and family members, and enthusiastically pledges to maintain its commitment to provide the following benefits and services to military-aligned students, and as they may be amended from time to time by SUNY Empire:

- Pre-enrollment advising and an Evaluated Education Plan (EEP) with a review of anticipated transfer credits prior to enrollment
- Waive all mandatory fees for military members (active-duty, guard, reserve and veterans) along with their spouses. Waived fees include: orientation fee, college fee, student activity fee, technology fee, health and wellness fee, portfolio (assessment) fee, and program amendment fee.
- Individualized Prior Learning Assessment (iPLA) fees are waived for military members
- Support military-aligned students through Veterans Affairs (VA) and Tuition Assistance (TA) funding processes
- Access to the Office of Veteran and Military Education (OVME) and its dedicated resources to support student success all the way through to degree completion.

Terms of the Agreement

1. SUNY Empire agrees, for those students who successfully complete an associate degree (AA, AS, AAS) at SUNY Broome and meet SUNY Empire's admissions requirements, to accept the entire associate degree from SUNY Broome into a bachelor's degree program.⁴ SUNY Empire's nursing program is selective and has additional program specific admission requirements.
2. SUNY Broome students have the ability to transfer up to 79 lower-division credits towards a SUNY Empire bachelor's degree, with the remaining 45 credits (of the 124 credit bachelor's degree) to be completed at the upper-division level with SUNY Empire. Upon completion of an associate degree, SUNY Broome students, with appropriate advisement, may complete additional credits up to the 79-credit limit at SUNY Broome.
3. The maximum amount of advanced standing a student may be granted at SUNY Empire is 93 total credits. This total would include lower and upper-division transcript credits, pre-evaluated credit (such as ACE, NCCRS, or SUNY Empire's Professional Learning Evaluation program), military credits, and individualized prior learning assessment, as long as those credits fit into an approved degree program. Additional details are found in the "Academic Guidelines" section of this Agreement.
4. Both SUNY Broome and SUNY Empire agree to give the widest possible publicity to the establishment of this Agreement, such as inclusion of procedures and descriptions in catalogs, bulletins, marketing publications, and webpages. This literature should clearly specify the persons or offices to contact at each institution.
5. SUNY Broome agrees to promote this Agreement and its provisions to current students, alumni, faculty and advisors.
6. SUNY Empire will provide pre-enrollment advising and/or information sessions for prospective transfer students onsite and online as appropriate. Further, SUNY Empire will provide outreach to SUNY Broome faculty and staff regarding SUNY Empire information and this Agreement.
7. This Agreement becomes effective when all signatures are affixed, as of the date of the last signature, and remains in effect for 5 years, or until one or both institutions deem it necessary to terminate the Agreement. Matters of concern that affect this Agreement should be brought to the attention of the Director of Academic Partnerships in the Office of Partnerships at SUNY Empire, and the Vice President for Academic Affairs at SUNY Broome for discussion and amendments. The

⁴ As per SUNY Empire policy, Associate in Occupational Studies (AOS) degrees are evaluated on a course-by-course basis.

Agreement may be amended or renewed by mutual Agreement in writing.

8. Either party may terminate this Agreement with thirty calendar days of advanced notice, in writing, sent via certified mail return receipt requested to:

Empire State College

Dr. Brian Goodale
Director of Academic Partnerships
28 Union Avenue
Saratoga Springs, NY 12866

SUNY Broome Community College

Dr. Penny Haynes
Vice President for Academic Affairs
907 Front Street
Binghamton, NY 13905

9. In performing its obligations under this Agreement, each party shall comply with all applicable laws, rules, regulations, institutional policies, and accreditation standards.
10. This Agreement is not exclusive to SUNY Broome.
11. SUNY Empire and SUNY Broome agree that each is acting independently of the other, that they are not a joint venture, and that neither party is an agent of the other.
12. This Agreement is not intended to benefit any third party, nor shall any person who is not now or in the future a party hereto be entitled to enforce any of the rights or obligations of a party under this Agreement.
13. Both parties acknowledge that this Agreement does not create a partnership as defined by New York Partnership Law, nor is either Party acting as the agent for the other. The parties agree that each is acting independently of the other, in a cooperative collaboration.
14. Both Parties acknowledge that activities under this Agreement may require them to have access to the other Party's "Education Records," as that term is defined under the Family Educational Rights and Privacy Act ("FERPA"). The Parties acknowledge that for the purpose of this Agreement, each will be designated as a "school official" with "legitimate educational interest" in the Education Records, as those terms have been defined under FERPA and its implementing regulations, and the Parties agree to abide by the limitations and requirements imposed on school officials. The Parties agree to use the Education Records only for the purpose of fulfilling their duties under this Agreement for their mutual benefit, and will not share such data with or disclose it to any third party except as required by law or as authorized in writing by the Parties. This duty continues indefinitely after termination of the agreement.

Guidelines of the Agreement

1. SUNY Broome students who successfully complete associate degree requirements for an AA, AS or AAS will be able to transfer to SUNY Empire all credits earned for the associate degree, including "D" grades that are part of the completed degree. If a student transfers to SUNY Empire without a completed associate degree, "D" grades are not transferable.
2. For a bachelor's degree at SUNY Empire, students must minimally complete 31 upper-division credits in residence towards a 124-credit bachelor's degree (see "Academic Guidelines" section for more details).
3. Any courses taken at SUNY Broome beyond the associate degree will be evaluated for transfer separately from the associate degree based on SUNY Empire's advanced standing policies.
4. There is no time limitation on transfer credits substantiated by a transcript except in areas where that learning may become outdated, such as in computer technologies and the sciences. Such credits will be evaluated on a course-by-course basis and may not be accepted if it is crucial to the structure of a degree program or concentration.
5. Students will be given the opportunity to complete all requirements for the bachelor's degree in a

closely related area of concentration. For students who have completed associate degrees that are not closely related to the desired bachelor's degree area of study, additional courses may be required to complete their degrees and, in these cases, transcripts will be evaluated on a course-by-course basis to achieve maximum transferability.

6. All students need to complete the application process and meet all admissions criteria before being accepted to SUNY Empire.
7. Students may enroll at SUNY Empire on a full-time or part-time basis.
8. SUNY Broome will notify SUNY Empire of any substantive changes and/or alterations of its existing program and/or modifications related to accreditation status and/or program registration with registry agencies, if any, within 30 days of initial notification.

Academic Guidelines

At SUNY Empire, students may self-design their bachelor's degree using approved area of study guidelines and the State University of New York (SUNY) and SUNY Empire degree requirements. Students pursuing a degree at SUNY Empire through this Agreement work with an assigned faculty mentor to determine the most appropriate degree for their interests and goals, and how best to apply the advanced standing transfer credits in designing their degree. Students are encouraged to complete the degree planning process as soon as possible after matriculating at SUNY Empire, however, the process must be completed before a student registers for the final 16 credits of their degree program.
