

**ARTICULATION AGREEMENT - PATHWAYS TRANSFER PROGRAM
FOR THE TRANSFER OF STUDENTS FROM THE COMMUNITY COLLEGE OF VERMONT
INTO THE BACHELOR'S DEGREE PROGRAMS AT SUNY EMPIRE STATE COLLEGE**

Empire State College (SUNY Empire) of the State University of New York (SUNY) and the Community College of Vermont (CCV), agree to enter into this Pathways Transfer Program articulation agreement. This agreement assures that qualified students completing any Associate in Arts (AA), Associate in Science (AS), or Associate of Applied Science (AAS) degree at CCV will be able to transfer seamlessly to Empire State College.¹ This agreement also establishes procedures for graduates of CCV to obtain the appropriate bachelor's degree (BA, BS, and BPS) at Empire State College.

Empire State College was established in 1971 by the SUNY Board of Trustees and then-Chancellor and future United States Commissioner of Education Ernest L. Boyer as a distinctive statewide SUNY institution focused on nontraditional teaching and learning. The College continues its more than 40-year commitment to valuing learning gained from life and work experience and has a clear process for assessing and awarding credit for college-level learning gained through experience. Accredited by the Middle States Commission on Higher Education, the College serves mostly working adults pursuing associate, bachelor's and master's degrees online or onsite at one of the College's 35 locations across New York state and abroad.

The Community College of Vermont is Vermont's second largest college, serving over 5,000 students each semester. With twelve locations and extensive online learning options, students don't have to travel far from their communities to access CCV's degree and certificate programs, workforce, secondary and continuing education opportunities, and academic and veterans support services. CCV is deeply rooted in Vermont communities, providing students opportunities for academic and professional growth through flexible, innovative programs and exemplary support services.

How the Pathways Transfer Program Works

Up to 79 total lower-division credits can be transferred in, leaving at least 45 upper-division credits to be completed towards the 124 credit bachelor's degree at SUNY Empire. This includes 24 upper-division credits within the student's selected concentration, consistent with the College's requirements for a bachelor's degree. Each participating student will be able to transfer all credits earned as part of their associate degree to SUNY Empire, as long as they fit into the student's designed bachelor's degree program.

¹ As per SUNY Empire policy, Associate in Occupational Studies (AOS) degrees are evaluated on a course-by-course basis. D grades earned as part of an AOS degree are not transferable, even if the student completed the AOS.

During their first year at SUNY Empire, students in the Pathways Transfer Program may, with advisement, opt to cross-register for up to 15 additional credits at CCV beyond the associate degree.² These lower-division credits will be applicable to the baccalaureate degree program by satisfying SUNY General Education requirements or needed pre-requisite courses.

Academic Programs

Empire State College offers a wide range of bachelor's degree program options that align with many of the associate degree programs at CCV. For a list of bachelor's degree programs, please refer to www.SUNY Empire.edu/degrees-programs/.

In addition, students have the option of designing a bachelor's degree program that builds on their associate degree and is tailored to their unique interests and goals. Working with a SUNY Empire faculty mentor, students may customize their own degree concentration within one of 12 broad areas of study or the School of Nursing and Allied Health.

Students at SUNY Empire can earn their degree without having to leave their home community. The flexibility of the educational model allows them to customize their courses to fit around their family, work and community commitments. Students are able to combine a number of course modalities into their degree program including online courses, independent studies, seminars and small group studies, residencies, and cross registration at other colleges (with advisement).

Benefits for CCV Transfer Students

Empire State College will provide the following benefits for participating CCV students:

- Waiver of the \$50 admission / orientation fee
- Provision of a \$100 transfer scholarship in the first term of matriculation at SUNY Empire
- Guaranteed admission to a bachelor's degree program
- Non-New York residents are eligible for an Empire State College nonresident tuition grant that significantly lowers their tuition rate

To be eligible, CCV transfer students must have completed an associate degree within the last 3 years, or be in (or entering) their final semester of completing an associate degree.³

A unique application benefits code for interested students to use during the admissions application process will be created by SUNY Empire and provided to appropriate staff at CCV for distribution.

Benefits for Employees of CCV

Employees of CCV may participate in the Pathways Transfer Program and become students at SUNY Empire by way of this agreement. Employees who already hold an associate degree are eligible for the benefits as listed above for transfer students. Further, employees who hold a bachelor's degree and wish to pursue a graduate degree at Empire State College are eligible for the following benefits:

² Students may transfer up to 79 lower-division credits, or 93 total lower and upper-division credits, to Empire State College.

³ Note that this applies only to the completion date of the associate degree, and not when all of the courses within the degree were completed. Please refer to "Guidelines of the Agreement", item #4.

- Waiver of the \$50 graduate admission / orientation fee
- Provision of a \$100 transfer scholarship in the first term of matriculation at SUNY Empire
- Non-New York residents are eligible for an Empire State College nonresident tuition grant that significantly lowers their tuition rate
- A single point of contact at the School for Graduate Studies to guide new students through the admissions, enrollment and orientation process

For a complete list of graduate level degree and certificate programs offered by Empire State College, or to apply, please go to <https://www.esc.edu/graduate-studies/>.

Benefits for Active Military, Veterans, and Spouses

Empire State College has a long-standing commitment of supporting active military, veterans and family members, and enthusiastically pledges to maintain its commitment to provide the following benefits and services to military-aligned students:

- Pre-enrollment advising and an Evaluated Education Plan (EEP) with a review of anticipated transfer credits prior to enrollment
- Waive all mandatory fees for military members (active-duty, guard, reserve and veterans) along with their spouses. Waived fees include: orientation fee, college fee, student activity fee, technology fee, health and wellness fee, portfolio (assessment) fee, and program amendment fee.
- Individualized Prior Learning Assessment (iPLA) fees are waived for military members (spouses not included at this time but grants may be available; check with OVME)
- Support military-aligned students through VA and TA funding processes
- Access to the Office of Veteran and Military Education (OVME) and its dedicated resources to support student success all the way through to degree completion.

Terms of the Agreement

1. SUNY Empire agrees, for those students who successfully complete an associate degree (AA, AS, AAS) at CCV and meet SUNY Empire's admissions requirements, to accept the entire associate degree from CCV into a bachelor's degree program.⁴ SUNY Empire's nursing program is selective and has additional program specific admission requirements.
2. CCV students have the ability to transfer up to 79 lower-division credits towards a SUNY Empire bachelor's degree, with the remaining 45 credits (of the 124 credit bachelor's degree) to be completed at the upper-division level with SUNY Empire. Upon completion of an associate degree, CCV students, with appropriate advisement, may complete additional credits up to the 79-credit limit at CCV.
3. The maximum amount of advanced standing a student may be granted at SUNY Empire is 93 total credits. This total would include lower and upper-division transcript credits, pre-evaluated

⁴ As per SUNY Empire policy, Associate in Occupational Studies (AOS) degrees are evaluated on a course-by-course basis.

credit (such as ACE, NCCRS, or SUNY Empire's Professional Learning Evaluation program), military credits, and individualized prior learning assessment, as long as those credits fit into an approved degree program. Additional details are found in the "Academic Guidelines" section of this agreement.

4. Both CCV and SUNY Empire will include information about this agreement on their public websites and appropriate printed materials including a description, contact information and links to more information.
5. CCV agrees to advise interested students, alumni and faculty advisors of the provisions of this agreement.
6. SUNY Empire will provide pre-enrollment advising and/or information sessions for prospective transfer students online and onsite as appropriate. Further, SUNY Empire will provide outreach to CCV faculty and staff in appropriate academic departments regarding SUNY Empire information and this agreement.
7. This agreement becomes effective when all signatures are affixed. Matters of concern that affect this articulation agreement should be brought to the attention of the Director of Academic Development in the Office of Academic Affairs at SUNY Empire, and the Dean of Academic Affairs at CCV for discussion and amendments. The agreement may be amended by mutual agreement in writing.
8. Either party may terminate this agreement with thirty calendar days of advanced notice, in writing, sent via certified mail return receipt requested to:

Empire State College

Dr. Brian Goodale
Director of Academic Development
One Union Avenue
Saratoga Springs, NY 12866

CCV Community College

Deborah Stewart
Dean of Academic Affairs
660 Elm Street
Montpelier, VT 05602

9. In performing its obligations under this agreement, each party shall comply with all applicable laws, rules, regulations, institutional policies, and accreditation standards.
10. This agreement is not exclusive to CCV.
11. SUNY Empire and CCV agree that each is acting independently of the other, that they are not a joint venture, and that neither party is an agent of the other.
12. Both parties acknowledge that this agreement does not create a partnership as defined by New York Partnership Law, nor is either Party acting as the agent for the other. The parties agree that each is acting independently of the other, in a cooperative collaboration.
13. Both colleges acknowledge the confidential nature of student information that may be exchanged between them. As such, both colleges agree that this information must be kept secure, confidential, and only disclosed for authorized purposes, pursuant to the Family Educational Rights and Privacy Act (FERPA).

Guidelines of the Agreement

14. CCV students who successfully complete associate degree requirements for an AA, AS or AAS will be able to transfer to SUNY Empire all credits earned for the associate degree, including "D" grades that are part of the completed degree. If a student transfers to SUNY Empire without a completed associate degree, "D" grades are not transferable.

15. For a bachelor's degree at SUNY Empire, students must minimally complete 31 upper-division credits in residence towards a 124-credit bachelor's degree (see "Academic Guidelines" section for more details).
16. Any courses taken at CCV beyond the associate degree will be evaluated for transfer separately from the associate degree based on SUNY Empire's advanced standing policies.
17. There is no time limitation on transfer credits substantiated by a transcript except in areas where that learning may become outdated, such as in computer technologies and the sciences. Such credits will be evaluated on a course-by-course basis and may not be accepted if it is crucial to the structure of a degree program or concentration.
18. Students will be given the opportunity to complete all requirements for the bachelor's degree in a specific degree program or closely related area of concentration. For students who have completed associate degrees that are not closely related to the desired bachelor's degree area of study, additional courses may be required to complete their degrees and, in these cases, transcripts will be evaluated on a course-by-course basis to achieve maximum transferability.
19. All students need to complete the application process and meet all admissions criteria before being accepted to SUNY Empire.
20. Students may enroll at SUNY Empire on a full-time or part-time basis.
21. CCV will notify SUNY Empire of any substantive changes and/or alterations of its existing program and/or modifications related to accreditation status and/or program registration with registry agencies, if any, within 30 days of initial notification.

Academic Guidelines

At SUNY Empire, students may self-design their bachelor's degree using approved area of study guidelines and the State University of New York (SUNY) and SUNY Empire degree requirements. Students pursuing a degree at SUNY Empire through this agreement work with an assigned faculty mentor to determine the most appropriate degree for their interests and goals, and how best to apply the advanced standing transfer credits in designing their degree. Students are encouraged to complete the degree planning process as soon as possible after matriculating at SUNY Empire, however, the process must be completed before a student registers for the final 16 credits of their degree program.

Table 1
Empire State College Bachelor's Degree Requirements

Degree	Total Credits	Maximum Advanced Standing Credits	Minimum SUNY Empire Credits in Residence	Minimum Upper-Division Credits	Minimum Upper-Division Credits in the Concentration	Minimum Liberal Arts and Sciences Credits
B.A.	124	93	31	45	24	94
B.S.	124	93	31	45	24	62
B.S.N.	124	93	31	45	40	62
B.P.S	124	93	31	45	24	32

- ❖ Area of Study and Concentration guidelines are used to structure the student's individualized degree program curriculum.

- ❖ To satisfy SUNY General Education requirements, every SUNY Empire bachelor's degree program must include at least 30 credits in seven general education knowledge and skill areas, as well as the areas of Mathematics and Basic Communication.
- ❖ Every SUNY Empire student must take 4-8 credits in Educational Planning.

Possible sources of additional Advanced Standing Credits:

- Individualized Prior Learning Assessment⁵
- Transcript credit from a regionally accredited college or university
- Standardized exams, such as CLEP or other exams⁶
- Military credit evaluated by the American Council on Education (ACE)
- Licenses or training evaluated by Empire State College

General Information

Further information about SUNY Empire may be obtained by calling Heidi Lazare, Outreach and Recruitment Specialist in the Office of Enrollment Management at (800) 847-3000 ext. 2848 (8:30am-5pm, Monday-Friday).

All transfer students must submit the Empire State College Application for Admission form along with an official transcript of completed course work from all colleges previously attended to the Office of Admissions, Empire State College, 111 West Avenue, Saratoga Springs, NY 12866. These forms can be found at <https://www.SUNY Empire.edu/admissions/>.
