**Degree Program Total 124**

<sup>1</sup> Any of these credits not completed at NCC will be completed at SUNY Empire. Students should seek advisement from a SUNY Empire advisor in advance of selecting which courses to take to ensure they will fit into the baccalaureate degree plan.

## **Notes**

Students who have completed the following and present the necessary documentation, may incorporate the recommended credits into their bachelor's degree program.

- Advanced Cardiac Life Support (ACLS) – 2 credits
- Pediatric Advanced Life Support (PALS) – 2 credits

SUNY Empire requires B.S. degree students to complete a minimum of 62 liberal arts and sciences credits.

To satisfy SUNY General Education requirements, every SUNY Empire bachelor's degree program must include at least 30 credits in seven of ten general education knowledge and skill areas, as well as the areas of Mathematics and Basic Communication. The ten areas include:

Mathematics	Other World Civilizations
Natural Sciences	Humanities
Social Sciences	The Arts
American History	Foreign Languages
Western Civilizations	Basic Communications
