

# Student Request for an Advance of Anticipated Excess Financial Aid

In accordance with federal regulation 34 CFR 668.164(m), schools must provide a way for federal student aid recipients to obtain or purchase books and supplies 10 days before the beginning of the payment period. At SUNY Empire State College, we meet this regulation by providing eligible students with a bookstore voucher that can be used on our bookstore vendor website – Missouri Book Services (MBS), a subsidiary of Barnes & Noble College Booksellers. Please visit <https://www.esc.edu/Bookstore> for more information regarding book purchases.

If you need to purchase books and/or supplies through an entity other than MBS, and would like to request an advance of your anticipated excess financial aid to do so, please complete this form. Incomplete or unsigned applications will not be considered. **Limit one request per student, per term.**

I certify that I am currently registered, in good academic standing, do not have an account balance and have authorized aid in place that exceeds my term charges. I acknowledge approved funds will be used for books and/or supplies. I authorize the college to deduct the amount of the approved advance from my financial aid funds for repayment to SUNY Empire. I agree that I am responsible for any balance owed that may occur if my enrollment status changes, I fail to attend or withdraw from any or all of my studies, or if I fail to maintain good academic standing.
